Ngon Phố Hội – Vietnamese Authentic Cuisine

A Journey Back to Cultural Roots

Here, in the heart of Hoi An's ancient town, every dish is a slice of culture — rustic yet refined, traditional yet full of inspiration. “Ngon” is more than a compliment; it's a heartfelt emotion when the essence of Vietnamese flavors touches the soul. “Phố Hội” is more than a place; it's an identity — seen in moss-covered roofs and warm, sincere smiles.

We are proud to present this menu as a culinary chronicle — where each dish tells a story through its aroma, color, and taste — inviting you not only to savor, but also to feel and remember.

Welcome to Ngon Phố Hội – Vietnamese Authentic Cuisine, where every meal is a cultural experience.
